PROPUCE MACHINE TOOLS, LATHES IN GEFMAN DEMOCRATIC PEPUBLIC

EXPAND NILES MACHINE-TOOL WORKS -- Berlin, Nachrichten fuer Aussenhandel, 9 Dec 50

Four new shops are currently being constructed in Berlin-Weissensee, for the people-owned Niles Machine-Tool Works, which will become one of the WMW Machine and Hand-Tool Combine's enterprises in 1951.

The new structures are to cover an area of 13,000 square meters. Largesize, vertical-turret lathes will be produced for construction of generators and turbine housings for electric power stations, and for export.

TARGEST PEOPLE-OWNED MACHINE-TOOL FASTORY UNDER CONSTRUCTION -- Berlin, Taegliche Rundschau, 4 Feb 51

The largest people-owned machine-tool factory in the German Democratic Republic is being constructed in Chemnitz. At present, 250 workers from the people-owned Bau-Union Sued (Building Combine) are engaged in construction work. Installation of gear-cutting machines was started in January 1951.

MASS-PRODUCE NEW TURRET LATHES -- Berlin, Nachrichten fuer Aussenhandel, 10 Jan 51

The people-cyned Pittler Plant in Leipzig is the first enterprise in the German Democratic Republic to have started mass production of special turret lathes since the beginning of the Five-Year Plan.

The new machine has a high-speed gear which permits operation at a much higher rotational speed than with the customary types of lathes.
